

## Policy Exception Request Form

Use this form to request policy exceptions and document final approval or denial of the request.

**Requestor:** (Individual initiating the request)

1. Complete the form and save it.
2. E-mail the completed form to your manager for approval.

**Requestor’s Manager:**

1. Review the policy exception request.
2. If denied, inform the Requestor.
3. If approved, e-mail your approval statement with the form attached to the office president for approval.
4. Inform the Requestor of final approval/denial by the Office President.

**Office President:**

1. Review the policy exception request approved by the Requestor’s Manager.
2. E-mail your approval or denial statement with the form attached to the policy exception administrator and the Requestor’s Manager.

**Policy Exception Administrator:**

File the form and the final approval/denial decision in the policy exception request log.

**IMPORTANT:**

- Policy exceptions will NOT be renewed automatically.
- To renew a policy exception, the Requestor must submit a new exception request before the original granted policy exception expires.
